GROUP EXERCISE CLASS DESCRIPTIONS

~ Cardiovascular & Strength Classes ~

BOOT CAMP - This high-intensity total body workout will maximize your strength and stamina. Boot Camp incorporates cardiovascular and plyometric drills as well as muscular conditioning exercises set to the beat of high-intensity music. Push-ups, sit-ups, jump rope and calisthenics – anything and everything is fair game in this complete workout. 30 minutes

CARDIO KICKBOXING - Cardio Kickboxing is a power-packed workout with intense kickboxing moves performed to high-energy, motivating music. Each full body workout consists of a warm-up, higher paced intervals, easy to follow punching and kickboxing combinations, kickboxing-specific strength/endurance training, and a cool down, designed to maximize results while having fun! 60 minutes

COMBO STEP – Combo Step is a full-body workout that incorporates a mix of cardiovascular exercises and strength training movements using the original step, the Step360™, body-weight exercises and resistance-training equipment, such as dumbbells or resistance bands. The Step360™ is a step platform with air filled chambers, designed to improve the body's balance, stability and proprioception. 60 minutes

ZUMBA - Zumba is a fun and effective 'dance-party' fitness class, with easy to follow dance steps set to the tune of Latin and International music. The routine features aerobic/fitness interval training with a combination of fast and slow rhythms for an effective aerobic workout that also tones and sculpts the body. You don't need any previous dance experience to enjoy this class... The dance moves are repeated often enough for you to catch on and they're not complicated. Zumba is not only great for the body, but it is also great for the mind. It is a 'feel happy' workout. 60 minutes

ZUMBA TONING - Zumba Toning blends body-sculpting exercises and high-energy cardio work with Latin-infused Zumba moves to create a calorie-burning, strength training dance fitness party. Using lightweight, maraca-like Zumba Sticks, this class enhances rhythm, builds strength and tones all areas of the body. Zumba Toning is the perfect way for enthusiasts to sculpt their bodies naturally while having a total blast! 60 minutes

STRENGTH - Strength Class combines strength and cardiovascular-training exercises to provide you with a total body workout. This class utilizes equipment such as stability balls, medicine balls, free weights & more! It focuses on functional training with the goal of improving balance, coordination, muscular strength/endurance and core strength. 40-45 minutes

EXPRESS SCULPT - Express Strength combines strength training exercises and cardio drills using various types of equipment, such as free weights, body bars, resistance bands, stability balls and medicine balls. This class is great for someone who is looking for a quick and efficient, full-body morning workout! 30 minutes

HIIT – High intensity interval training combining strength, functional, and cardio exercises on a timed circuit style platform. This class uses everything from dumbbells to your own bodyweight. Train like an athlete! 30 minutes.

~ Mind & Body Classes ~

MAT SCIENCE – Mat Science is a progressive series of exercises that will increase strength, flexibility and balance of the entire body. The exercises are derived from classic disciplines of Pilates and Yoga. The focus of the class is on mindful movement, core stabilization technique and unified body movements. Mat Science is a low-intensity, calorie-burning workout that sculpts your body slim. 60 minutes

YOGA - Experience the rich benefits of yoga with this therapeutic and balanced practice. This class teaches participants to become aware of proper alignment, reduce stress and find focus in both body and soul. Students can increase flexibility and strength while deepening their relationship with their inner self. Basic yoga postures will be taught with an emphasis on meditation and breathing. Join the exciting world of yoga that treats one with care and respect. 60-75 minutes.
